

# Work and Income Support

## Online Guide

As a first step you can access the Work and Income online site on a computer or smart phone.

Search for 'Work and income' or enter the following: **www.workandincome.govt.nz**

On the Work and Income home page locate the 'Check what you might get' button. **See the picture below with the red arrow showing where to "click"**

This will take you to an online guide. Follow the prompts and enter details about your current financial and living situation. It takes about 5 minutes to complete and will give you an indication of your eligibility for financial support.

**Note:** This online tool is only a guide, and it is still worth contacting Work and Income directly to discuss your circumstances so they can confirm eligibility.

**MSD phone number (general enquiries): 0800 559 009**

The Renal Social Worker is available to help you with this process if you need support, or if you have any questions regarding your eligibility. The Renal Social Worker can also check to see that you are receiving all available supports.

**To contact your Renal Social Worker, please contact your local DHB:**
